Quality Freight Group

Presentation

ABOUT US : HISTORY

- ✓ Quality Freight Group was founded in Ireland in 1990. Since then it has grown organically and by acquisition.
- ✓ 4 offices in Ireland spanning North (Belfast) / South (Cork) / East (Dublin) and West (Knock).
- ✓ QFUK based in Ellesmere – on UK west coast and M53 motorway – close to Liverpool and Manchester.
- ✓ Specialising in chartering from coaster to panamax sizes.
- ✓ Edward Nicholson (commenced trading in 1879) – acquired by Quality Freight in 2000.

ABOUT US : HISTORY

- ✓ The business has evolved from being an agent for many leading operators such as **Railfreight** and **UBC** to becoming an intermodal container operator as a Shareholder in **Geest Ireland** in partnership with **Geest North Sea Line**, operating own feeder vessels and operating its own state of the art port facility at Ellesmere Port in Merseyside, UK.
- ✓ 2007 QFG founded and is principal Shareholder in **Bulk Logistic Solutions**, the leading carrier of bulk foods, within the EU.
www.bls-bulk.com
- ✓ Quality Freight continued its involvement in European Intermodal container operations by investing in **Ge-eX Logistics**. (See Ge-eX Logistics).
- ✓ In 2009 QFG launched **Renewable-Logistics** to cover the renewable energy sector. www.renewable-logistics.com
- ✓ 2010 – **BLS (Chemical) Ltd** was formed

Experienced Port Stevedores

- ✓ Sole operator at Ellesmere port (Mersey) handling circa 600,000 tonnes annually.
- ✓ Bulk, palletised, and containerised cargoes.
- ✓ Project and out of gauge shipments.
- ✓ Major commitment to west coast UK and east coast Ireland.
- ✓ State of the art new cranes and container, bulk handling equipment, continuous investment programme in storage and quay development.
- ✓ Work with stevedores throughout British Isles.

The Ship Canal Barge – Schedule and Itinerary:-

The barge runs daily from Liverpool’s Royal Seaforth Container Terminal on the River Mersey entering the Manchester Ship Canal where it now calls at Ellesmere Port on its way up to Manchester.

Ellesmere Port is optimum discharge point for traders and businesses accessed via the main regional Motorway corridors: M53 (South Wirral and North Wales), M56 (Cheshire and South Manchester), M6 (North Staffordshire and the South).

The barge returns to Liverpool each afternoon again calling Ellesmere Port with and for export containers emanating from the same catchments.

Each barge has a TEU capacity in excess of 160x 20ft Containers.

Project Cargo

- ✓ Specialist expertise with large out of gauge projects.
- ✓ Complete end to end solutions, with Worldwide affiliates.
- ✓ Chartering, road transport, storage, consolidation, expert packing and assembly, lashing, securing, supervision.
- ✓ Ellesmere Port / Merseyside is ideal for west coast UK – Projects.
- ✓ Up to 1000mt tandem lift crane capacity
- ✓ 450 mt Ro-Ro ramp
